PRESENTATION:

Immersion in China and Thailand: Service Learning and Internship Experiences of USU Undergraduates in 2009

March 31, 3:30 PM, Agricultural Science Building 338 (3rd Floor, south lecture hall)

Bill Munns, Shannon Moore, Braden Jensen, and Wade Campbell, undergraduate students in applied biological sciences, will share their experiences of immersion into the academic culture and agriculture of China and Thailand during summer 2009. Learn more about future opportunities too!
